About Staci K. Haines - The Politics of Trauma

Staci Haines's book gives me a roadmap for what to expect when I finally am able to put myself out there. She assumes the reader is familiar with dissociation, numbing, leaving the body, PTSD reactions, etc., etc. She just picks up from there, and talks about having sex that feels good and safe, even though you have these issues.

Healing Sex: A Mind-Body Approach to... book by Staci K ...

Staci Haines is a pioneer in the field of mind-body healing of sexual trauma, and she trains practitioners, therapists and social change activists in these techniques. Haines is the creator of the film Healing Sex , and in 2000, she founded Generation Five, whose mission is to end the sexual abuse of children within five generations.

Staci Haines | Cleis Press

Staci Haines is a central teacher weaving the somatics lineage with social justice and with being in the body in community, increasing the possibility that we can be in collective bodies of justice. This book maps the cycles of healing that shift us from being victims of systemic injustice to being shapers of constant change and liberatory systems.”
