Concise Oxford Dictionary of Politics - Oxford Reference

Political correctness (PC), term used to refer to language that seems intended to give the least amount of offense, especially when describing groups identified by external markers such as race, gender, culture, or sexual orientation. The concept has been discussed, disputed, criticized, and satirized by commentators from across the political spectrum.

political correctness | Definition, Origin, History ...

Disinformation is false or misleading information that is spread deliberately to deceive. This is a subset of misinformation.. The English word disinformation is a loan translation of the Russian

dezinformatsiya, derived from the title of a KGB black propaganda department. Joseph Stalin coined the term, giving it a French-sounding name to claim it had a Western origin.

Disinformation - Wikipedia
