List of NFPA Codes and Standards

Protect your community with NFPA 3000™ (PS). This standard addresses all aspects of the process, from identifying hazards and assessing vulnerability to planning, resource management, incident management at a command level, competencies for first responders, and recovery.

NFPA 3000™ (PS): Standard for an Active Shooter/Hostile ...

Part of my job includes answering questions from NFPA members on our codes and standards. Since many jurisdictions adopt a combination of NFPA and IBC codes, I often get questions about NFPA requirements, but in IBC terms. This quick guide I created helps me remember which IBC groups correspond to the NFPA 101 occupancy types and vise versa.
