Political Fictions Joan Didion

The essays in Joan Didion's Political Fiction cover American politics from the mid-1980s to the 2000 "election" of George Bush. They rest on a premise Didion validates over and over again: the stagecraft of national leadership in the United States is individual ambition in search of popular wherewithal, and when no wherewithal is to be found, it is readily enough created and then sold to an ...

[Political Fictions] | C-SPAN.org

In today's national political scene, citizens are merely props in a carefully choreographed dramatic narrative that resembles a Hollywood movie set more than it does an American democracy. Joan Didion's Political Fictions , a collection of essays previously published in The New York Review of Books , proves this thesis with stiletto-sharp prose and ample sources to sway even the most skeptical ...
