The Civil War In The

The American Civil War (also known by other names) was a civil war in the United States from 1861 to 1865, fought between northern states loyal to the Union and southern states that had seceded to form the Confederate States of America. The civil war began primarily as a result of the long-standing controversy over the enslavement of Black people.

American Civil War - Wikipedia

The American Civil War was the culmination of the struggle between the advocates and opponents of slavery that dated from the founding of the United States. This sectional conflict between Northern states and slaveholding Southern states had been tempered by a series of political compromises, but by the late 1850s the issue of the extension of slavery to the western states had reached a boiling point.

American Civil War | Causes, Definition, History, & Facts ...

The American Civil War was the largest and most destructive conflict in the Western world between the end of the Napoleonic Wars in 1815 and the onset of World War I in 1914. The Civil War started because of uncompromising differences between the free and slave states over the power of the national government to prohibit slavery in the territories that had not yet become states.

A Brief Overview of the American Civil War | American ...

Northerners have also called the Civil War the “war to preserve the Union,” the “war of the rebellion” (war of the Southern rebellion), and the “war to make men free.” Southerners may refer to it as the “war between the States” or the “war of Northern aggression.”

The American Civil War — Facts, Events and Information

The US American Civil War was the greatest war in American history. 3 million fought - 600,000 paid the ultimate price for freedom. And a war for freedom it was. The desire for freedom traveled deeper than the color of skin and farther than the borders of any state.

History of the American Civil War!

April 12: The Civil War began on April 12, 1861 with the attack on Fort Sumter in the harbor at Charleston, South Carolina. May 24: Col. Elmer Ellsworth, a friend of President Lincoln, was killed while removing a Confederate flag from the roof of Marshall House in Alexandria, West Virginia.

American Civil War Year-By-Year Timeline

Read Book The Civil War In The East Struggle Stalemate And Victory

The Civil War erupted from a variety of long-standing tensions and disagreements about American life and politics. For nearly a century, the people and politicians of the Northern and Southern states had been clashing over the issues that finally led to war: economic interests, cultural values, the power of the federal government to control the states, and, most importantly, slavery in American society.
