The Black Vault Encyclopedia Project proposes a Close Encounter of the Seventh Kind as human-alien hybridisation,[9]. This concept similar to ideas promoted by ancient astronauts theorists like Erich von Däniken, Zecharia Sitchin and Robert K.G. Temple, in that extraterrestrials interacted with, perhaps interbred with and influenced ancient human beings in the past[10].

What are all the kinds of alien encounters? | Yahoo Answers

Alien encounters. Since human beings are the only known form of fully sentient life, any encounter with nonhuman intelligence is necessarily speculative. Writers in the 17th and 18th centuries produced many tales of travel to and from other inhabited worlds, but works such as Voltaire’s Micromégas did not depict Saturnians as alien beings; they were men, though of Saturn-sized proportions.

Science fiction - Alien encounters | Britannica

Russian politician Kirsan Llyumzhinov had an encounter with aliens on 17 th September when he was being abducted by yellow suited aliens. After being taken aboard a transparent spaceship, Llyumzhinov was initially facing issues understanding the speech of the aliens, which later on became easy as telepathic communication began to happen between the earthling and the alien
