The English Reformation took place in 16th-century England when the Church of England broke away from the authority of the Pope and the Roman Catholic Church. These events were, in part, associated with the wider European Protestant Reformation, a religious and political movement that affected the practice of Christianity in western and central Europe.

English Reformation - Wikipedia

The English Reformation began with Henry VIII of England (r. 1509-1547 CE) and continued in stages over the rest of the 16th century CE. The process witnessed the break away from the Catholic Church headed by the Pope in Rome. The Protestant Church of England was thus established and the English monarch became its supreme head.

The Reformation movement within Germany diversified almost immediately, and other reform impulses arose independently of Luther. Huldrych Zwingli built a Christian theocracy in Zürich in which church and state joined for the service of God. Zwingli agreed with Luther in the centrality of the doctrine of justification by faith, but he espoused a different understanding of the Holy Communion.
