## **Student Experience: Implications for ...**

I remember being so grateful for this opportunity. It truly mind boggled me to think that I, a first-generation student and daughter of two immigrants, was able to experience this. I remember often self-reflecting on what I did to deserve this. Therein lies the problem with first-generation students.

## **Reshaping the First- Generation Student Experience ...**

First-generation students feel the pressure of learning to balance living on your own, being successful in college and working a job all at the same time. For Destiny Aguilera, a second-year theatre major, the help they needed was provided by a high school instructor.

can be a major facet of the first-generation student experience.

But the differences can also be more subtle.

Non-first-gen students, according to Garcia, arrive at college

equipped with a “toolkit” for interacting with others more confidently.

## **After Acceptance: The First-Generation Student Experience**

They are often the first

Generation  
in their family to attend  
college. One first  
generation student,  
Ashley Stafford, a  
freshman pre-  
respiratory major, feels  
that she is no different  
from any other student  
on campus. However,  
she cannot relate to  
the stories that  
students have of their  
own parents going to  
college.
