"A universal feature of the enemy image is that the enemy can be influenced only by force." The image of the enemy tends to impoverish each nation's own self-

### **(PDF) The Image of the Enemy and the Process of Change**

Soldiers are conditioned to kill by getting them to fire at an image of the enemy - the face of the enemy changes over time, and from one country to the next.

### **The images used to teach soldiers to kill - BBC News**

The Enemy Image Process. Once we are clear that we want to work with enemy images, the process is similar to other NVC processes. The first step is awareness: to realize that I have such judgments. The idea behind the enemy image process is that if I'm having a judgment, it is an expression of unmet needs.
