The Turkish Deep State State

The deep state is alleged to be a group of influential anti-democratic coalitions within the Turkish political system, composed of high-level elements within the intelligence services, the Turkish military, security agencies, the judiciary, and mafia. For those who believe in its existence, the political agenda of the deep state involves an allegiance to nationalism, corporatism, and state interests. Violence and other means of pressure have historically been employed in a largely covert manner

Turkey - The Deep State

The origins of the term Deep State are from the secretive Turkish network known as derin devlet. This group was founded in 1923 by Mustafa Kemal Atatürk with the purpose of undertaking clandestine acts to preserve the current governmental structure. These acts included coups and private assassinations of figures who were seen as hostile to the establishment; they were particularly targeted toward the press, communists, Kurds, and other dissenters.

Deep State - Dictionary.com

Turkey's internal deliberations over its supposed deep state at first inspired only a small handful of researchers to look for deep states in other countries. Scholars have used the concept as a jumping-off point for inquiries into a select number of cases, such as the imposition of military rule in Cold War Greece and the enduring influence of the army and bureaucracy over the Thai government.

How the Deep State Came to America: A History

One of the most notorious groups associated with the so-called deep state was JITEM, the intelligence wing of Turkey's gendarmerie founded in the 1980s that is allegedly responsible for many atrocities committed during the 1990s as part of what is referred to as the dirty war against the Kurdistan Workers' Party (PKK) armed militant group.
